Examiner Comments

This application claims benefit under Title 35, USC 119(e) of provisional application 60/140,093 6/21/1999. On the first page of the oath, said application is listed under "Prior Foreign Applications" instead of under "US Provisional Applications". Since it is clear that the said application is a US provisional Application and not a foreign application, the misplacement of the application number is being treated as a clerical error and a new oath will not be required.
